Sunshine
Jonathan Edwards, 1971

A
Sunshine go away today
                       E
I don't feel much like dancing
A
Some man's gone he's trying to run my life
                         D
He don't know what he's asking

A
He tells me I better get in line
                    E
Can't hear what he's saying
       A
When I grow up I'm gonna make it mine
                 D
These ain't dues I been paying

D   A
How much does it cost
I'll buy it
    D   A
The time is all we've lost
I'll try it
D   A
He can't even run his own life
      G   E
I'll be damned if he'll run mine Sunshine

Sunshine go away today
I don't feel much like dancing
Some man's gone he's trying to run my life
He don't know what he's asking

Working starts to make me wonder where
Fruits of what I do are going
He says in love and war all is fair
He's got cards he ain't showin

(chorus)

A
Sunshine come on back another day

                    E
I promise you I'll be singin
A
This old world she's gonna turn around
                   D   A
Brand new bells will be ringing
