F

He wore his passion for his woman

Fm

Like a thorny crown

C Am

He said Dolores, I live in fear

C G

My love for you's so overpowering

F G C

I'm afraid that I will disappear

chorus

I know a woman, (who) became a wife
These are the very words she uses
To describe her life

She said a good day ain't got no rain
She said a bad day is when I lie in the bed
And I think of things that might have been

chorus

And I know a father who had a son
He longed to tell him all the reasons
For the things he'd done

He came a long way just to explain
He kissed his boy as he lay sleeping
Then he turned around and he headed home again

chorus

Whoah God only knows, God makes his plan
The information's unavailable
To the mortal man

We're workin' our jobs, collect our pay
Believe we're gliding down the highway
When in fact we're slip sliding away

chorus repeats 2x
